## SPECIFICATION

Universal AC Adapter for Automatic Roll Paper Towel Dispensers and Automatic Soap Dispensers shall have a black plastic casing and a cable length of 58" [1473]. Four (4) interchangeable plugs shall be supplied with unit.

**Universal AC Adapter for Automatic Roll Paper Towel Dispensers and Automatic Soap Dispensers shall be Model № 72-ACA of American Specialties, Inc., 441 Saw Mill River Road, Yonkers, NY 10701-4913**

## INSTALLATION

Make sure that there are no batteries installed in the dispenser battery pack. Connect the adapter's output plug in the adapter socket in the dispenser; see the dispenser's technical data sheet for location. Mount the required interchangeable plug type in the adapter plug base by sliding it from the top. The Universal AC adapter shall be connected to a 100V-240V AC circuit with a frequency of 50/60 Hz.

## OPERATION

The Automatic dispenser will use the necessary electric power from the adapter as needed when activated.
